Burwood Tennis Club has been operating since 1907 at its present site. It has over 200 members and has an active committee and membership that sees it offer a large range of social and competition play to all members.

There is a strong emphasis on junior development which is done in partnership with our club coach Peter Owen and his team at Top Tenn Tennis. Coaching is also offered to seniors from large groups to individual coaching.

Top Tenn Tennis. [www.toptenn.com](http://www.toptenn.com) 9830 6618

In 1996 after much hard work by our members, our new purpose built clubhouse was opened which caters for all the social and competition functions of our club as well as being available for function hire. (Reduced rates to members)

In 2007, the club converted the 5 en-tout-cas courts to synthetic "Euroclay". This surface does not require watering which will ensure we are not affected by water restrictions in the future.

Please feel free to visit our facilities or contact us if you have any further questions.
